

# FREE ENGINEERING EVENT FOR STUDENTS

**OCTOBER 26, 2021**  
**11 a.m. - 7 p.m.**

**DAYTONA BEACH, FLORIDA**

**Bring your  
 resume!**

Join us for AMTA's Student Day, where students will participate in presentations and discussions related to antenna measurement technology, culminating in a design and measurement contest with prizes awarded to the winners.

**LIVE DEMONSTRATIONS**  
**Guided exhibit hall tours**

**PRIZES**  
**For the design contest**

**FREE**  
**Lunch and dinner**

The event is free to attend, but you must be enrolled as a university student and register for the event in order to attend.

**REGISTER TODAY**

**Schedule and full  
 details coming  
 soon!**

Contact Dr. John Volakis, FIU  
 ([studentday@amta.org](mailto:studentday@amta.org)) for more details.
